Over 40 Years of Trusted Industry Experience

Serving the away from home, consumer and private label markets, our extensive distribution network covers the UK and Ireland, supporting a diverse range of sectors including janitorial, facilities management, hospitality, hotels, education, commercial, foodservice, industrial and healthcare.

With over 40 years of industry experience, ITC has built a reputation for excellence, offering premium products, outstanding customer service and exceptional value, all while upholding the highest environmental and ethical standards.

Our philosophy is simple yet powerful: deliver superior products and service with integrity, always striving to 'under promise and over deliver'.

Sustainability

Sustainability sits at the heart of our mission, guiding responsible growth that promotes environmental stewardship and helps foster a greener, healthier future for generations to come.

**Eco-friendly, Recyclable
and Biodegradable**

**Eco-friendly Sourcing and
Sustainable Manufacturing**

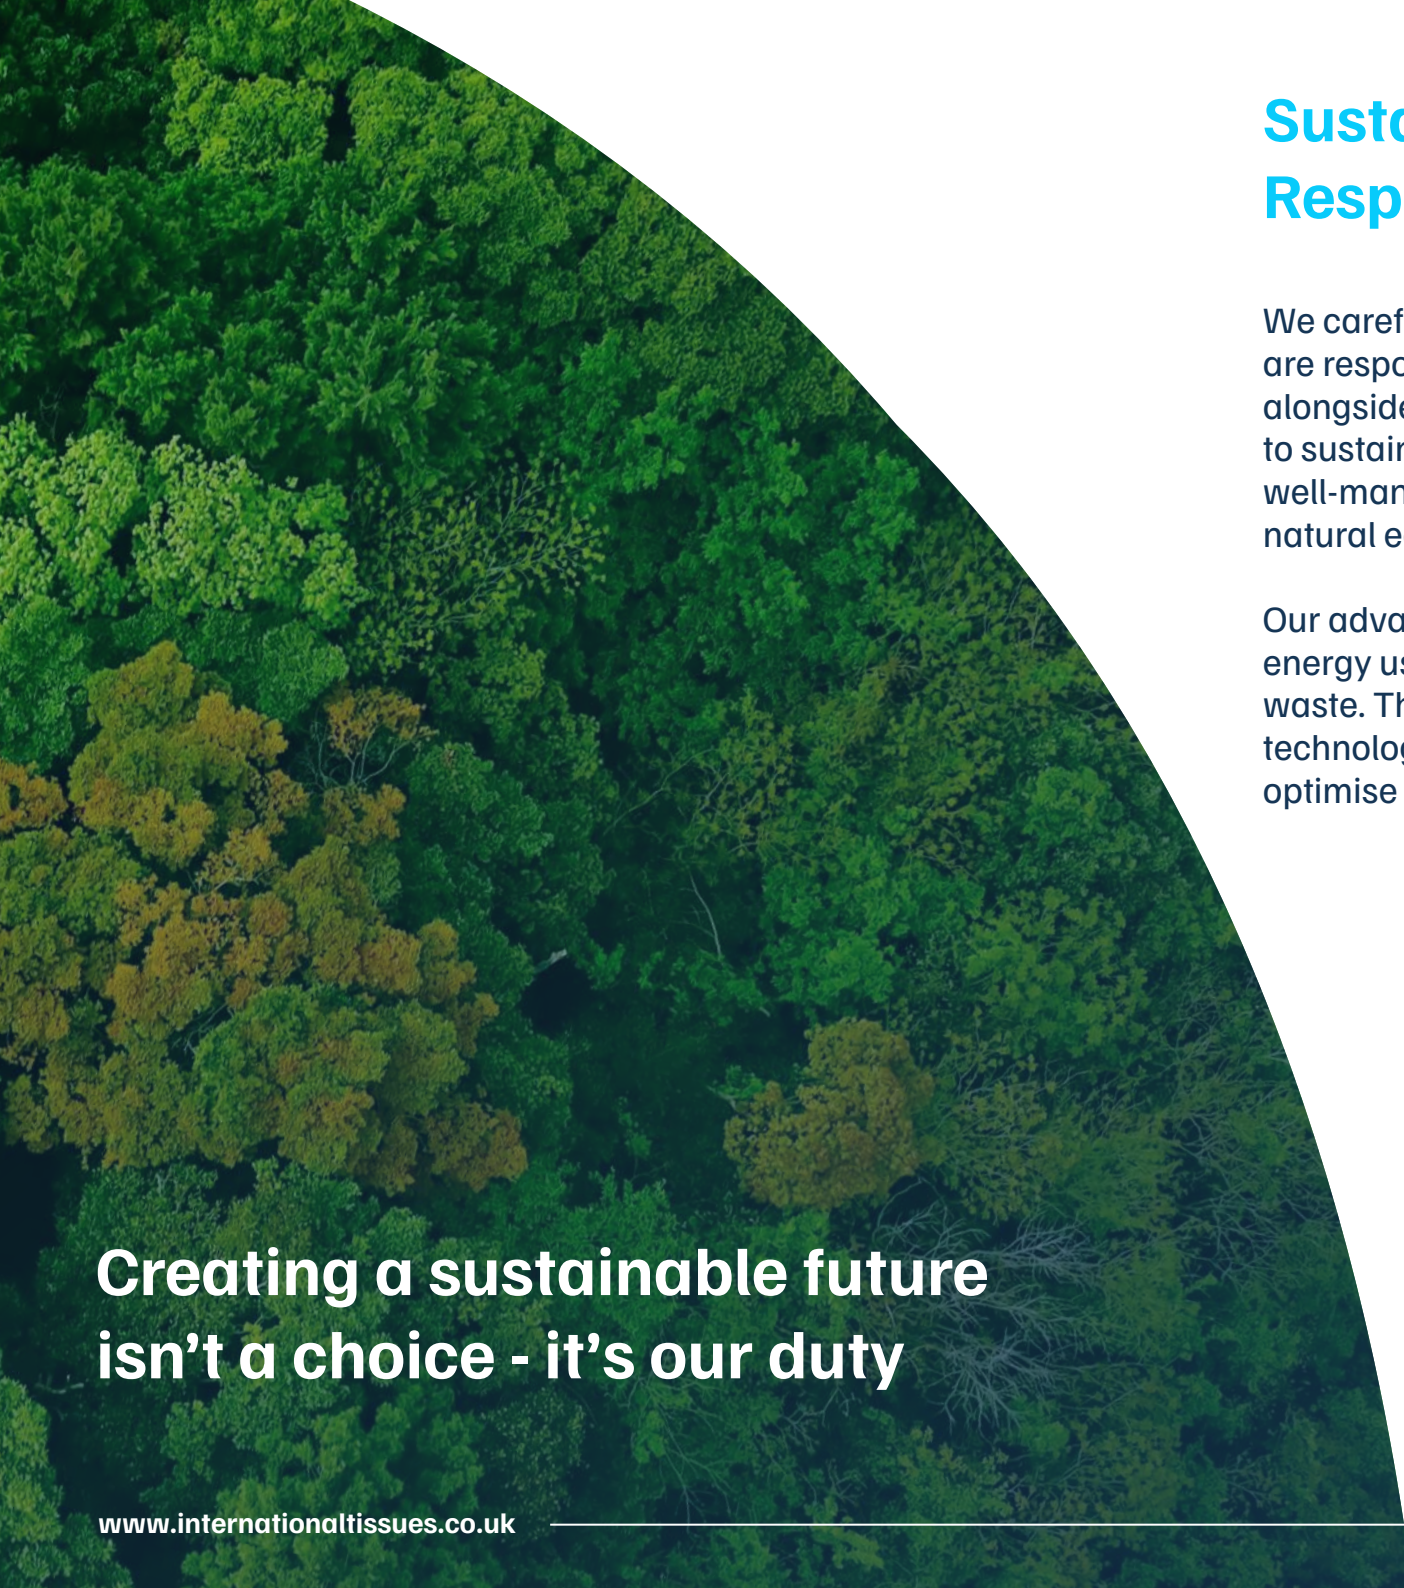

**Eco-responsible
Manufacturing**

**Sustainability is an ongoing
commitment for us**

Sustainable Sourcing and Responsible Manufacturing

We carefully source our raw materials to ensure they are responsibly produced, using 100% recycled fibres alongside FSC-certified virgin pulp. Our commitment to sustainable forestry means all materials come from well-managed sources that help protect biodiversity and natural ecosystems.

Our advanced facility maximises efficiency by reducing energy use, limiting water consumption, and minimising waste. Through ongoing investment in cutting-edge technology, we actively lower our carbon footprint and optimise logistics to reduce emissions.

**Creating a sustainable future
isn't a choice - it's our duty**
